Assessment Tools: Written Reports • Leadership Self-study

Sections being assessed: .61

Outcome 1: Reflect & Enhance Modified: [10/30/2011]

Number of people involved in Phase III: 20

Changes:

No changes. First time outcome is assessed.

Methods:

The assessment tool used is a checklist to compare values and personal qualities. The tool must evolve into a more comprehensive rubric.

Summary:

The students mastered this SLO as evidenced by 85%, 20 out of 17 students successfully completed the assignment. Students met my expectations of student success. 15% or 3 students assessed, at 50% or less based on the assignment completion. The students needs and issues revealed the need to improve the assessment tool.

Enhancement (Part I):

The assessment results indicated the need to improve the assessment tool to measure with precision the course SLO. The assignment will be revised to match the revised assessment tool.

Enhancement (Part II):

No additional resources allocation needed.
