#### Assessment Cycle Records:

**Outcome 1: Assessment Planning** Modified: [05/20/2010]

**Assessment Strategy Used:**

Quarter: Spring 2010

Assessors: Alex Swanner

Assessment Tools: Exams • Blog

Sections being assessed: 64Z

**Outcome 1: Reflect & Enhance** Modified: [06/01/2011]

**Number of people involved in Phase III: 1**

**Changes:**

**Methods:**

Each student is expected to post completed assignments to a Blog that they create. Assessment consists of logging in to each blog and grading their answers to the assignment.

**Summary:**

Students need more interaction with faculty in the days leading up to each assignment due date. Because this is an online only class, emails to each student will remind them of due date and inform them of any late or incomplete assignments.

**Enhancement (Part I):**

There will be more interaction with students before each assignment is due.

**Enhancement (Part II):**

None.

---

**Outcome 2: Statement** Modified: [05/13/2010]

Student will demonstrate knowledge of emerging internet techniques.

---

**Outcome 2: Assessment Planning** Modified: [06/15/2011]
