Assessment Tools: Art Works or Products

Sections being assessed: 61

**Outcome 2: Reflect & Enhance** Modified: [11/15/2011]

**Number of people involved in Phase III: 1**

**Changes:**

**Methods:**

Assessment of documentary project.

**Summary:**

Students were unaware of the preparation that necessary to conduct an interview. They did very well in setting up the camera and sound components of the shoot. Students needed more practice in making contact with the subject being interviewed and direct to make them feel less self conscious.

Students met expectations of the course.

**Enhancement (Part I):**

Students will be better equipped in evaluating the elements of a documentary shoot and problem solve adverse conditions.

**Enhancement (Part II):**

Allow more practical experience in shooting interviews. Keep current with camera and sound equipment for best results
