## ADJUNCT STUDY SKILLS 232

### SYLLABUS Fall 2012

**Student Learning Outcome:** *Students will identify their academic learning skills strengths and weaknesses. According to individual needs, students will learn to apply effective study strategies to their content course. Students will actively participate in weekly collaborative content-specific groups and report on their learning progress.*

Policy on Academic Honor Code: Academic dishonesty will not be tolerated. If a student is found cheating on a lab or violating other codes of academic integrity, he or she will receive a failing grade for the course and will be reported to the content instructor and the college for appropriate action. See section on Academic Integrity in the schedule of classes.
