This year, we want all Silly participants to bring their school teammates to come to De Anza and learn some new volleyball techniques from your coaches...Your goal is to bring at least 5 new players to the clinic and make sure they write your information under contact, so you receive credit for their attendance...It would help if the players could put their first and last names on their shirts...It is easier for the coaches to assess the players when they are recognizable...Bring your water bottles with you please!

What To Wear To Camp:
All Middle School Girls 6th, 7th and 8th grade can wear any shirt that is a blue color...All 9th graders can wear any shade of green...All 10th graders can wear any shade of yellow...All 11th graders can wear any shade of orange...All 12th graders can wear any shade of red...Remember to sign up as many of your friends and volleyballers as possible...
