Completion of requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. REQUIREMENTS FOR ALL AREAS MUST BE COMPLETED BEFORE TRANSFER. For good cause, a student may be partially certified if deficient in no more than two courses, with the exception of courses in Area 1 and 2 (admission requirements) which must be completed before transfer. If partially certified, the student has the option of completing the one or two remaining courses at a community college or at the transfer institution before the beginning of the second year of transfer. ALL COURSES MUST BE COMPLETED WITH GRADES OF "C" OR BETTER. A COURSE MUST APPEAR ON IGETC IN THE YEAR IT IS SATISFACCTORILY COMPLETED. See a counselor/academic advisor about UC majors, colleges, and professional schools which do not accept IGETC, and for other transfer requirements. Upon enrollment in final requirements, students must submit a request for certification to De Anza's Office of Admissions and Records. Forms are available in Admissions, Counseling and at www.deanza.edu.
