Reminder, vendors must remain in their spaces in the Flea Market area until 2:00 PM. Vehicle traffic is not allowed within the Flea Market area between 7:30 AM and 2:00 PM. Leaving early could result in a fine or lockout of future markets.

Reminder, do not park in the Flea Market area (Parking Lots A and B) in any space other than your own even if it is empty. If you cannot park your car in your space you must park it in another parking lot such as Parking Lot C or the Flint Center Parking Garage; Parking is $5.00 per vehicle. Do not park in another vendor stall even if it is empty, expensive parking citations will be issued. Your Flea Market ticket is not valid for parking outside your vending stall.

Construction is going to be taking place in parking lots A and B for solar panels for the college in July, August, and September. The Flea market will continue but please be aware that there may be some covered areas where digging is taking place. We plan to have an updated Flea Market Vendor Area Map available as soon as we are able that shows the locations of the solar panels. Once the panels are up we expect the Flea Market to continue as before with little or no changes.
