STEP 1) Complete the UC Davis TAG Eligibility Self-Assessment Form to determine your eligibility. Read the entire packet of information for TAG procedures and requirements.

STEP 2) If eligible for the UC Davis TAG, compile all of your transcripts and (if applicable) Advanced Placement (AP) or International Baccalaureate (IB) exams. (See below for international transcripts) Log-on to the UC TAG Application System and start working on your UC Davis TAG application.  
https://uctag.universityofcalifornia.edu/

Caution: You MUST carefully follow all directions provided by the Application System. Coursework must be reported completely and accurately to avoid processing delays and possible TAG disqualification.

STEP 3) UC Davis will only consider TAGs that are “authorized” by De Anza as being eligible and complete.

Attend the UC Davis TAG Open House
August 23 – August 26, 2010 (10:00 am – 5:00 pm each day)
Location: Counseling Center (2nd Floor, Student and Community Services Building)
^EOPS and International students must work with their respective programs.

Have your UC Davis TAG previewed and, if eligible and complete, pre-authorized. TAGs processed during the Open House will receive priority level clearance during the September submission period. See “TAG Eligibility Self-Assessment Form” and “UCD TAG Supplement” for list of items to bring to the Open House. You will be instructed on the TAG submission process at the Open House.

OR

See a counselor or advisor on a drop-in basis to address specific TAG questions. You must bring a copy of your TAG application and all documents listed in Step 2 to this session.

Submit your TAG Application online for De Anza review between September 1 and 30, 2010.

AND

After you submit your TAG, complete, sign, and submit the De Anza UCD TAG Contract (available August 30 at http://www.deanza.edu/transfer/taa_tag_main/index.html) along with copies of all transcripts (except De Anza/Foothill; unofficial OK) and AP/IB exam scores. Transcripts and scores are required even if you had them sent to De Anza. Your name must be officially printed and clearly visible on all documents.

You may deliver these documents to the front desk in the Counseling Office (SCS Building, 2nd floor) or fax to: (408) 864-8398.
- If you have international transcripts, you must also provide an English-translated version (with grading system defined) and English-translated course descriptions.
- If you attended a language instruction program, you must also include verification of enrollment showing specific time periods.

Timeline: De Anza will start reviewing your TAG application after all required documents are received. This review process may take up to 10-working days after documents are received.

TAGs submitted by 9/24 - De Anza TAG Contract and ALL required documents must be received within one week after online TAG submission or your TAG will be disqualified.

TAGs submitted after 9/24 - De Anza TAG Contract and ALL required documents must be received within 48 hours after online TAG submission or your TAG will be disqualified.

Once the contract and all required documents are received you will be sent a message within 10-working days via the TAG Application System IF there are issues with your TAG.

Contracts received by 9/24 - you will have one week to respond and comply with all requests to avoid disqualification.

Contracts received after 9/24 - you will have 48 hours to respond and comply with all requests to avoid disqualification.

STEP 4) Check TAG Application System for messages and TAG status diligently.
Submit your UC Application for Undergraduate Admission November 1 – 30, 2010.

Given the high volume of TAG applications, the abbreviated review period allowed by UC, and our limited staffing, your TAG application will NOT be authorized if you fail to comply with these requirements and deadlines.

UCD TAG 7.7.10 Final
Student Name
You must use your full legal name on the TAG and the UC undergraduate admission application; consistent use and spelling of your name is crucial. Your name must also match the name appearing on De Anza records.

Grade Point Requirements
1) The minimum overall grade point average (GPA) for transferable work required for a TAG varies by college as follows:
   - College of Agricultural and Environmental Sciences: 2.8
   - College of Biological Sciences: 2.9
   - The College of Letters and Science: 2.9
   - The College of Engineering: 3.1

2) You must have this GPA at the time your TAG is initiated and submitted, and must maintain it throughout the remainder of your transfer work with no grades below a C.

3) Courses required for selective majors must be taken for a letter grade. AP and IB exams with valid scores are acceptable when comparable to UC Davis course equivalencies. See the UC Davis catalog for AP/IB details; pay close attention to situations where full credit is or is not allowed for UC Davis course equivalencies.

Timeline for Course Completion
1) To qualify for a TAG for fall 2011, the following specific required courses must be completed by the end of spring 2011:
   - those required for the UC Transfer Eligibility Pattern
   - those required for admission into selective UCD majors
   - those required to complete 90 UC transferable quarter units

2) Summer session may not be used to complete courses required for admission. Students who have completed all requirements by the end of spring term may use the summer to take supplemental coursework that will enhance their preparation for UC, including completion of the IGETC pattern.

Transcripts (domestic and outside of the US)
1) You must self-report online, each college or university where you previously or currently enrolled or attended, including enrollment and attendance for English language programs.

2) If you attended a college or university outside of the United States, the correct name and address of each international school must be reported online. You must provide transcripts (with grading rubrics) and course descriptions, AND word-for-word English translations of both documents in order to have your TAG reviewed.

3) Admitted students should be prepared to submit official sealed transcripts to UC Davis by July 15, 2011. It is critical that coursework self-reported during the TAG and UC application process matches with coursework on the official, sealed transcripts.

Exam Scores
If exams were taken, you must self-report scores from AP and IB Higher Level Examinations on the TAG form. You must provide exam scores in order to have your TAG reviewed. Admitted students should be prepared to submit official exam scores to UC Davis by July 15, 2011. It is critical that scores self-reported during the TAG and UC application processes match the official exam scores.

Prerequisite Course Requirements
UC Davis assumes you have met prerequisites to qualify for TAG course requirements, especially in the areas on English and math. UC Davis may request additional documentation regarding how prerequisites were satisfied.

UC Application
If your TAG is approved you must submit the UC application for undergraduate admission November 1-30, 2010. Information on the TAG and UC application must match. You must also complete the UC Application Update at www.universityofcalifornia.edu/admissions/appupdate providing grades and course changes as directed, by specified deadline.

Courses Offered by California Community Colleges (CCC)
You must take courses equivalent to UC Davis courses if they are offered at De Anza. Courses not offered at De Anza must be completed after enrolling at UC Davis. When www.assist.org states that there is “NO COMPARABLE COURSE” or “NO COURSE ARTICULATED” UC Davis will waive that course requirement for purposes of the TAG. If course is not offered at De Anza, UC Davis encourages you to seek comparable courses at other CCC when possible.

3) Bring all required documents to the Open House:
   □ Print-out of COMPLETED online TAG application
   □ Copies of ALL transcripts from other colleges/universities and exam scores – even if you sent them to De Anza.
   □ Signed TAG Eligibility Self-Assessment Form
