For most students, placement can be determined by U.S. high school transcript. Use the Guided Self-Placement tool if

- ✓ You didn't complete grades 9 through 11 in a U.S. high school
- ✓ You don't know your high school GPA because you've been out of school for several years

If you'd like more support in Math

- ✓ Check out De Anza's award-winning MPS program: deanza.edu/mps
