DE ANZA COLLEGE AUTOMOTIVE TECHNOLOGY 60D GREENSHEET

AUTO D060D95 CRN 224 **IGNITION ANALYSIS & OSCILLOSCOPE DIAGNOSIS**

4.5 Units Fall 2014

General Information:

Instructor: John Walton

Office Number: (408) 864-8508 Email: waltonjohn@fhda.edu

Web site: http://faculty.deanza.fhda.edu/waltonjohn

Dates: Tuesday and Thursday Hours: 6:00 P.M. to 10:10 P.M.

Office hours: 5:00 P.M. to 6:00 P.M. Monday-Thursday
Office location: #E14d in E1 Automotive technology building

Course Description:

· Ignition system principles of operation and diagnosis

Use of electronic test equipment in ignition system diagnosis

• Preparation for Automotive Service Excellence (ASE) certification examinations in Areas A6, A8, and L1

Advisories: Automotive Technology 50A, 50B, 60, 60A, 60B and 60C

English Writing 211 and Reading 211 (or Language Arts 211), or English as a Second

Language 272 and 273; Mathematics 212 or equivalent;.

Automotive Technology Website at: <u>autotech.deanza.fhda.edu</u> Course Description:

Understand major functions of an automotive ignition system

Ignition system principles of operation and diagnosis.

Use of electronic test equipment in ignition system diagnosis.

Develop a practical and comprehensive approach to oscilloscope testing and waveform interpretation

• Troubleshooting ignition related symptoms, systems & components.

Identify and explain the functions of these components within the ignition system.

• Understand the difference between the primary & secondary system, conventional (DI), distributorless/waste (EI), & coil on plug (COP) ignition.

Preparation for ASE examinations in areas A6, A8, & L1.

ASE web site: http://www.ase.com/

Student Learning Outcomes, Student will;

• Identify the purpose of an automotive ignition system.

Printed Course Syllabus (available from campus bookstore)

All Data, Shop Key.

Required Equipment: Safety glasses

Grading System: Graded weekly quizzes, worksheets, participation, &

comprehensive final, Safe work practices

Highest class score = 100%.

Final Exam Scheduled for the last class meeting

Missing Assignments: The student will complete any missing assignments within 7 days.

Late assignments are subject to 1 grade penalty

2 points will be deducted from **ALL** late assignments. Students will be dropped for exceeding 2 absences.

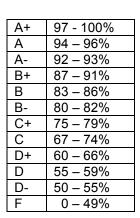

Attendance: Students will be <u>dropped</u> for exceeding 2 absences.

Adds: You must add before the current college deadline, late adds are not allowed.

Drops: If you stop attending the class you will receive an F unless you drop before the

current college drop date.

Adding or dropping a class is your responsibility.

Attendance Policy

Your attendance is an essential part of this course. By enrolling in this class, you are committing to attend promptly. Make-up exams and worksheets will only be available for one week following an absence. If you are going to miss a class or know that you will be late, you must notify me as soon as possible. It is your responsibility to get yourself caught up.

Disruptive Behavior

A. DeAnaza College will enforce all policies and procedures set forth in the Standards of Student Conduct (see web site, schedule or catalog). Any student disrupting a class may be asked to leave that class. Disruption includes cell phone usage, text messaging and talking to other students during lecture. After administrative review, student may not be allowed to return to class. http://www.deanza.edu/specialed/dish/appendix/conducts.html

- **B.** No cell phone interruptions turn cell phones off or to vibrate mode during class.
- **C.** No eating, drinking sodas, or chewing tobacco in this classroom.

Register on line or get grades on line at: www.deanza.edu/

Disability Support Programs & Services (DSP&S)

If you need any classroom accommodations or services due to a disability, please see me after class. A verification of your disability must be on file with the college. http://www.deanza.edu/specialed/dss/

For information on learning disabilities, call or visit the Educational Diagnostic Center, Learning Center West 110, 408-864-8839. For information on others disabilities, call or visit Disability Support Services, Seminar 2A, 408-864-8753.

Safety Policy

Safety glasses AND shoes are to be worn at all times during any lab work or demonstration.

Certificate of Achievement Advanced: Advanced Engine Performance Technology Associate of Science Degree: Advanced Engine Performance Technology

Degrees and Certíficates

Auto 53A, 60, 60A, & 60B
Certificate of Achievement
Basic Engine
Performance Technology
(21 Units, GE not required)

Auto 60C, 60D, & 60E
Certificate of Achievement
Intermediate Engine
Performance Technology
(18 units, GE not required)

Auto 60F, 60G, 60H, & 60J Certificate of Achievement Advanced Engine Performance Technology (18 Units GE not required) Complete all of the 57 units above to receive:

Certificate of Achievement Advanced

Advanced Engine

Performance Technology * Math and English Eligibility Requirements

Add: GE (31-42 units) and receive:
A.S. Degree
Advanced Engine
Performance Technology
