## Associate in Arts in Art History for Transfer

### A.A.-T. Degree

The Art History major consists of courses appropriate for an Associate in Arts in Art History for Transfer degree, which provides a foundational understanding of the discipline, a breadth of coursework in the discipline, and preparation for transfer to any CSU that accepts the Transfer Model Curriculum (TMC). The Associate in Arts in Art History for Transfer is intended for students who plan to complete a bachelor's degree in Art History (or an approved similar major) at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 (semester) units after transfer to earn a bachelor's degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

Program Learning Outcomes: Upon completion, students will be able to

- Differentiate between, collect, and analyze primary and secondary source information related to analysis of works of art
- Analyze the social experiences of artists, demonstrating how artists' relationships with their patrons were defining factors in producing works of art
- Investigate the different techniques, materials, and tools utilized in production, through written analysis based on observation of original works of art
