He feels he doesn't need to be cleaning up after everyone and being the maid to all those that continue to leave a mess. Another thing he has been hearing, rumors, that people are staying as senators so they can use early registration and then leave. This isn't right and if you want to not be a senator don't wait till then and leave now. It isn't fair to be misusing things like that. A day of remembrance is coming up. It will be on Thursday and it will be held in Conference Room A.
