**Informational Reports**

*External Committees*

1. Bobo Teo – ICC had a meeting today and they will have 2 more meetings. They will be changing their object codes and there are few events coming up.

2. Keith Hubbard – Environmental Sustainability – I found out that the wall garden now has a guard. Also, our last event is approaching. June 2nd that’s next week at 12:30 at the fireside room.

*Internal Committees*

1. Justin Chou – Theresa Thian and I will continue on our project. If you are meeting with Scarlett, she needs your contact info. Cheko and Levon spoke to academic senate. We have worked out all things ourselves. We cannot take more students and we are looking for increase the quality of classes. We compiled a list of students and their reasons why they wish to be TAs.

2. Marlo Custodio – BnF – This week’s meeting was our last meeting. We had a proposal from Keith that we were happy to pass. It was regarding the bike rental program and eco passes. Dr Murphy said he was going to take the dough out of his account. We are going to see that on June 8th. The food vouchers are going to be passed out and we will find out soon when Sharon Su updates us.

3. Keith Hubbard – During BnF, I proposed that we invest into eco passes/bus passes. They approved $5,000 for Institutional Research which will be regarding the exact usage of these bus passes for students. We are trying to subsidize the cost of the bus passes that are being sold by the bookstore. BnF also approved $5,000 for the bike rental program. The whole idea is to get bikes out there for people to use.

4. Wayne Spalding – Our main concern at BnF was that we start this program. If we do not use the money on equipment it would be pointless. So we approved funding for bikes and bike accessories.

5. Bobo Teo – For the Bike rental program, we need to find a storage place. I am positive that people will help us with that.
