**How did you hear about the DASB Senate?**

From my friends

**If you have held a DASB Senate position in the past, what was your position?****Why do you want to join the DASB Senate, and what do you hope to achieve?**

The experience that I would get from joining DASG Senate is not the experience that I can possibly get later in my life. This is a unique experience where I can get connections and network with a diversity of students and faculties. I also would like to contribute to the community and focus on making a progressive improvement to the whole student body which would also make me happy. Constantly wanting to get out of my comfort zone is what makes me seeking for a fresh and new experience and improve my capacity.

**What are some of the skills and experiences that you will bring to the DASB Senate?**

I have become a team leader who organize the carrer fair as a decoration team in my high school. Addtionally, my personality of open minded and energetic nature reflect those around me. Always seeking for imporvement makes me constant learning behavior. I have always been an active student to make a positve and productive contribution to the community.

**What other commitments do you have and how will you manage your time?**

I am just planning to take 3 courses per quarter and I believe I have enough time to devote for what I want to do, Senator.

**Additional Comments (maximum 200 words)**

I understand that it's not an easy task to make the positive environment surrounding with optimistic and happy people. However, I believe that good deeds and positivity reflects each other which bring up energetic vibe in the team. Planning and organizing the team comes along with passion and determination to devote my time and energy. Becoming a respectful senator that bring everyone together to help build the engaging environment is what I admire and want to do.

**What student concerns do you feel the DASB should address?**

As the college transforms back to in-person classes, we should promote more extracurricular activities with organize a website to mention the precise and exact purpose of each club and activities. Doing so would make assist students in making the decision of joining the club that they are interested in. Additionally, we should also help students what to expect and do's and don't while we are all going back on campus again.
