Business Items

15. INFORMATION/DISCUSSION

Title: De Anza College Student Photo Shoot

Description: The De Anza Communications Office is looking for student models to participate in our upcoming on-campus photo sessions on Wednesday, Nov. 16 and Thursday, Nov. 17.

This is a great opportunity to have fun and show off what's special about De Anza! If selected, your picture may be used in a variety of marketing or informational materials for the college.

Presenters: Iman Seale

Time: 10 minutes

- ⇒ Iman S: Here to discuss the De Anza college photoshoot. This is to have fresh photos for advertising and official college materials. The photoshoot will be next Wednesday and other dates. Invite all students and can join as many as they want. Love to have your presentation and get the word out. More information is on the website. Feel free to ask questions. Lots of casual and group photos all around the campus. <https://www.deanza.edu/communications/photo-shoot> Email: sealeiman@deanza.edu

16. DISCUSSION/ACTION

Title: Additional Funding Request

Description: This item is to discuss and approve the Additional Funding Request of \$786 for Student Leadership Training account 41-51162, for casual employee labor (2350) and benefits (3200).

Presenters: Maritza Arreola

Time: 15 minutes

- ⇒ Maritza A: For the fall training that senators and lead mentors attended etc. For the last two years, this was fully online so our food budget was low for in-person training. Also, our budget was low for our guest speakers. One of our speakers whom we anticipated was a classified employee and would have been paid for actually was a faculty member who needs to be paid for their services. The pay includes food, speakers, and benefits. We prioritized the best speakers for our student leaders.
- ⇒ Alysa N: I move to approve the Additional Funding Request of \$786 for Student Leadership Training account 41-51162, for casual employee labor (2350) and benefits (3200).
- ⇒ Nael S: I second. No objections.

17. DISCUSSION/ACTION

Title: Funding Request for DASG Card Production

Description: This item is to discuss and approve the Funding Request of \$15,296 for the DASG Card Production account 41-55117 from Fund 41 Special Allocations to cover the DASG portion of the photo ID card system upgrade (\$28,475.54). The Special Allocations account will be refilled from HEERF funding later in the year.

Presenters: Dennis Shannakian

Time: 15 minutes

- ⇒ Amy H: Last year the system that we used for cards was no longer licensed so we had to get a new license and equipment. The amount was split by ASFC, DASG, and campus police. During the fiscal year you cannot expense anything from the past fiscal year. IF you do not expense that budget then it rolls into the next year into a reserve. We weren't able to expense this last year so the total is \$15,296. WE have to pay for this fee as we have already received the equipment. This will exhaust our Special Allocations fund, but we received a grant from the Higher Education Relief Fund (HERF) which should be coming in sometime this year. This was approved in finance and if not passed we go into debt.
- ⇒ Aditi S: approve the Funding Request of \$15,296 for the DASG Card Production account 41-55117 from Fund 41 Special Allocations

⇒ Adrian S: I second. No objections.

18. INFORMATION/DISCUSSION

Title: Brown Act Updates

Description: This item is to present Brown Act updates starting January 2023.

Presenters: Dennis Shannakian

Time: 10 minutes

- ⇒ Dennis S: We got some updates about the Brown Act. There have been many changes because of the pandemic, but it will start reverting starting January 1st 2023. Members of committees and the senate must be on campus for meetings. You may only be excused for just causes and emergency causes twice per calendar year. If you are attending remotely you must join with voice and camera no exceptions.
- ⇒ Maritza A: Is there a clear cut of quorum in person?
- ⇒ Dennis S: The meeting can't happen if you don't meet a quorum in a physical location. How this impacts ICC is unclear because technically ICC now is under DASG. The normal Brown act in section B3 requires the location to be on the agenda and publicly accessible. The normal Brown act is currently being suspended. Will look into if ICC falls under DASG and if it will be required to follow the Brown act.
- ⇒ Eren S: Does this include shared governance?
- ⇒ Dennis S: No.
- ⇒ Soe L: Is this still subject to change?
- ⇒ Dennis S: This is a California state rule that has been signed and approved.
- ⇒ Hyon Chu YB: Important for chairs to keep track of attendance.
- ⇒ Amy H: Please start trying to be in person so that it doesn't feel like this huge shift next year.

19. INFORMATION/DISCUSSION/ACTION

Title: LAC Resolutions regarding parking regulation 6.40

Description: This item is to present and approve resolutions that have been drafted by the Legislative Affairs Committee

Presenters: Mohammad Khan, Amy Huang

Time: 10 minutes

- ⇒ Amy H: This was presented last week so we currently are doing a read thorough.
<https://docs.google.com/document/d/1su82vm81yxSw8v640kTvbVVxjwZbhziOB1E7e04zCP4/edit?usp=sharing>
- ⇒ Mohammad K: This is for the resolution of using motorized and non-motorized modes of transportation on campus such as skateboards, scooters, rollerblades, bikes, e-bikes, e-scooters, etc. This is beneficial for health benefits, better for the environment, and supports marginalized communities who use these modes of transportation.
- ⇒ Zain M: Have you looked into the liability for this?
- ⇒ Amy H: The liabilities will be the same for bikes that are currently allowed.
- ⇒ Lydia W: Don't student use this anyways to campus, but why use it on campus if they are already using it as a mode of transportation?

- ⇒ Amy H: Many of these devices are heavy so it doesn't make sense for them to ride it to campus and then carry it around campus.
- ⇒ Lydia W: Some of the statistics are misleading.
- ⇒ Mohammad K: We can go over the logistics of the statistics.
- ⇒ Maritza A: This is pretty common amongst many college campuses where people are walking around so we should keep that in mind. Dismount regions and we could contact campus police.
- ⇒ Amy H: Yes, campus police could add additional clauses to this. There is a disconnection between campus laws and what they support.
- ⇒ Maritza A: There is a difference between what we use as a mode of transportation to campus and what can be used as transportation around campus.
- ⇒ Zain M: Maybe we can amend this rather than removing completely because then you are removing the power from campus police to stop people from using the campus as a skate park.
- ⇒ Adrian S: Who is liable if someone skateboards and hit a pedestrian?
- ⇒ Amy H: That is something that we need to have conversations with the college.
- ⇒ Lydia W: Would the statistics be changed if we pass this?
- ⇒ Amy H: Can we get back to that once all the questions have been asked?
- ⇒ Zain M: Can we reword this so that it doesn't seem like we are just removing the entire thing?
- ⇒ Amy H: The college is aware and feels that is reasonable. This was created in 2016.
- ⇒ Lydia W: Data is misleading. I have concerns with the clarity and logic of the entire resolution. The statements make it seem like students can't skateboard to campus. I would be interested in seeing a student survey. Needs to be reworded.
- ⇒ Adrian S: Something should be added to address liability.
- ⇒ Amy H: The college supporting this is a solid point, but I would like to hear more of student opinion.
- ⇒ Pierce T: I move to approve the resolutions that have been drafted by the Legislative Affairs Committee
- ⇒ Zain M: I second.
- ⇒ Lydia: I object.
- ⇒ Nael S: I move to refer to LAC resolution regarding parking regulation 6.40 back to the SSF committee and LEC committee.
- ⇒ Lydia W: I second.
- ⇒ Soe L: I object.

20. INFORMATION/DISCUSSION

Title: DASG Bylaw Amendments

Description: This item is introduced in order to present and approve the revised version of the amendments to the DASG Bylaws, which were last amended on May 11, 2022. The purposes of the amendments are to enunciate the manner in which senators' office hours are conducted in this current hybrid/hyflex regime, to establish that any prospective candidate for a midterm senator position satisfies at least one quarterly internship with one of the committees to ensure a more equitable selection, and to facilitate the codification of the process involved in midterm rolling elections. The articles and sections that are being amended:

- Article II, Section 8
- Article IX, Section 3
- Article IX, Section 4

Presenters: Mohammad Khan

Time: 15 minutes

⇒ Mohammad K: Newly amended bylaws require 3 readings before it goes to a vote. Article 2 section 8 of 1 hour of office hours and 1 hour in person. Article 9 section 3 require an internship in a committee before becoming a senator and one meeting in the committee as an intern before becoming a senator. Prospective interns can attend their prospective senator meetings concurrently. This is the second reading.
