

Tsubomi Suzuki

1. The reason I want to join the DASB Senate is to grow myself. DASB has the “changing power” to improve school life. That is why I want to contribute to improving De Anza College. Also, it becomes a social study by joining DASB. I hope to achieve not only my assigned role but also DASB works.
2. When I was a high school student, I ran for the student council and gave a speech in front of 700 people. I did not lose the word during my speech, that is, I addressed an audience with confidence. I was confident that I was able to speech in front of many people, and I completed my term for the student council. Therefore, I will bring my skills and experiences to the DASB Senate that I've accomplished it at a high school student council.
3. I definitely contribute to the development of the school. As a time management method, I prioritize tasks, and when a new task is given, add it to the list and decide when I start to run it. Set goals and accomplish small steps to achieve them.
4. When I join the DASB, I want to experience many things that I couldn't have experienced when I was in high school. I want to make sure that students' opinions are reflected in the DASB.

Applicant Name: Tsubomi Suzuki

- Please collect a minimum of fifty signatures from the student body on the issue in bold below.

Students' Concerns

Many students are generally dissatisfied with the parking area and tuition fees.

Some of the students said "The parking space is close to the next parking space, so when we open the door, there is a high possibility of hitting the next car." Also, they said "" As tuition fees, some of the international students said: "The tuition fee for the International students are extremely expensive, I know it is cheaper than a four-year university, but it is still expensive for us." As other concerns, students complain about that textbook costs are expensive, there are not enough tables and chairs in the cafeteria, dormitories should be provided, internships are less, Wi-Fi is unstable or slow, the library should open on Saturdays and Sundays, employers should hire the number of students, the foods sold in the cafeteria are expensive, the science class is less, and Advertising on the flare market should be more aggressive.
