

**DESIGN & MANUFACTURING  
TECHNOLOGIES**

# INFORMATION MEETING

**Thursday, Nov. 21 • 5-6:30 p.m.**

**E21 and E23 Lab, De Anza College**

## DESIGN - CREATE - MANUFACTURE

Learn **high-demand, high-wage** skills, using the **latest equipment!**

Bring your questions and learn about our **entry-level** and **advanced** courses

- Computer-Aided Design (CAD)
- Geometric Dimensioning and Tolerancing (GD&T)
- 3D Printing and Additive Manufacturing
- Robotic Arm Pallet Loading
- CNC Five-Axis Mill and CNC Lathe Y-Axis Tooling
- Coordinate Measuring Machine (CMM)
- Accelerated programs, scholarships and more!

**Winter classes begin Jan. 6**
