COURSE MATERIALS (Required as of first day of class):

Marketing Principles 4e, by Lascu/Clow

ISBN: 1-930789-27-0

You may purchase either an ebook, PDF, or printed book from the publisher Textbook Media (<http://www.textbookmedia.com/Products/ViewProduct.aspx?id=3707>) or at the De Anza book store. If you purchase an ebook, please read the instructions carefully on the website to make sure your device is compatible with the e-reader. The instructor strongly recommends the PDF version to avoid the occasional ebook server problems.

COURSE REQUIREMENTS:

This is a five-unit course. Be prepared to spend between 8-to-10 hours per assignment period studying the course materials in lieu of face-to-face class hours and doing the homework assignments. All assignments must be submitted on time. No late submissions. You will need to access five websites listed below.

1. All registered students must use Catalyst (<https://catalyst.deanza.edu>) to access the course homepage where all the quizzes and case studies reside.
2. Read the textbook (<http://www.textbookmedia.com>) each week.
3. Read the lecture slides and lecture notes for the assigned chapters on Catalyst. You may want to print out the lecture slides and notes, and use them as the study guide for the chapters.
4. Take the open-book quiz only **after** you have studied the chapters.
5. Complete assigned case studies.
6. Access to <http://www.netflix.com> to learn about Netflix's offering.
7. Conduct primary market research using SurveyMonkey (<http://www.surveymonkey.com>).
8. Submit Marketing Plan to turnitin (<http://www.turnitin.com>).

Getting help: You may post questions to the forums under "Q&A" for each week, asking your colleagues or the instructor about the assignments or the chapters in the book. This is an interactive class, so students are strongly encouraged to post and respond to your classmates' postings.

Class Attendance and Participation:

The instructor will drop the students who fail to complete all required assignments during Week 1. The instructor may drop the students who fail to participate by completing all assignments for more than 2 weeks during the quarter unless the students contact the instructor prior to the assignment due date with valid reasons (National Guard, jury duty, major illness, etc. where access to a computer is difficult). However, if a student needs or wants to drop the class, the student is solely responsible for dropping the course.

See De Anza's attendance policies and deadline for drop/add <http://www.deanza.edu/policies/attendance.html> and <http://deanza.edu/calendar/>.

Participation in class and timely completion of assignments are essential as learning in this class is built on top of the previous chapters. As such, for students who add the class with an add code, the record of assignment submissions and participation maintained by the instructor begins with the day the students are given the add code by the instructor. However, it is the sole responsibility of the students to add the course officially with De Anza.

CATALYST CLASS HOMEPAGE:

<https://catalyst.deanza.edu>.

Please use **Firefox** as the recommended and supported browser for Catalyst assignments, quizzes and exams. Google Chrome and other browsers have been reported to have problems with Catalyst features, such as not being able to submit a quiz/exam.

When the user name password dialog box appears on the screen, type in your user name and password. Your user name is your 8-digit De Anza College student ID, not your 9-digit social security number. Your password is your 8-digit birthdate using the format MMDDYYYY. For example, John Smith, a student with ID 10001234 and birthdate January 1, 1980, would log in as:

Username: 10001234

Password: 01011980

You must be courteous and respectful to your classmates' postings. No inappropriate languages allowed even if you disagree with a posting. Any violation will be referred to De Anza College for appropriate actions.

Marketing Plan:

The project is divided into 3 separate tasks: Secondary research, Primary research, Marketing Plan. Please submit the Marketing Plan in Word or other text formats without any tables, charts, or graphs to Turnitin, then submit your plan with text, tables, charts, or graphs to Catalyst to receive grades. The paper should be Times New Roman, font size 12, single-spaced.

See page 544, Section A-5 "The Marketing Plan" in your text book and the project description

file on Catalyst. Complete sections A-5a (Marketing Objective), A-5b (Marketing Strategy), and A-5c (Marketing Mix). Within A-5b, the Marketing Strategy, insert one to two paragraphs on your survey results. See the project specifications in Catalyst for the paper outline and grading rubric.

Turnitin.com:

Turnitin.com is a website which checks billions of documents, both academic and non-academic, for sentences that were copied onto your paper. No grades will be given without submission to Turnitin.com. All papers ***must be in your own words***. If you must copy any sentences, charts, graphs, and tables copied from a website, you must cite in APA, Chicago, or MLA format.

If you do not have a Turnitin.com account, the instructor will set one up for you by the **third** week of class. Please make sure the email account you provided to De Anza is up to date. Once the instructor submits your email account to Turnitin.com, you will receive an email from the Turnitin website containing your personal password. It is your responsibility to remember that password, as Turnitin.com does not provide your password to the instructor. If you already have an account with Turnitin.com from another class, you may continue to use the same account/password for this class as long as the email account is the same as the one you provided to De Anza. To learn how to submit a paper on Turnitin.com, go to http://turnitin.com/en_us/training/student-training/submitting-a-paper.

Never copy any sentences from another student's paper, regardless of citations. Any paper with sentences copied from another De Anza student (current or prior students) or students from another college as determined by Turnitin.com will be viewed as plagiarism and will be immediately referred to De Anza's Dean of EOPS & Student Development for actions.

No grades will be registered in the official grade book until your paper is submitted to Turnitin.com prior by the due date and within 20% originality check as determined by turnitin.com even if you included citations. Go to http://turnitin.com/en_us/training/student-training/about-originalitycheck and http://turnitin.com/en_us/training/student-training/viewing-originality-reports to learn more about Turnitin.com. If a document is submitted to Catalyst but not Turnitin.com, the grades in Catalyst will be nullified. File submitted to Turnitin.com must be either “.doc”, “.docx”, “.txt” or “.rtf”. Submission of PDF, jpeg or other image file is invalid. The instructor will grade based on the text file submitted to Turnitin.com.

Chapter Quizzes and Final Exam:

There will be 12 open-book chapter quizzes and a final exam. The quizzes will be closed on Wednesdays and Saturday 11:55 pm each week. The final exam is due on Saturday 8/8, 11:55 pm during week 6 of the course. You may take the quizzes and exam early but not later than the due date. Make sure you hit “submit” when you are done with the quiz. Your scores for the quizzes will be available immediately, but the answer keys will not be available until after a quiz is closed. You will have either one or two quizzes per week. There is no extension for the quizzes or assignments.
