Tracking Implementation

Attachment List:

Minutes from 9.23.20:

Reviewed the spirit of BP 2712. Senate officers will let Escoto know if we need to bring this BP back to APM.

The group agreed to use Slack to aid in DAS discussions/work.

Senate officers will let Escoto know if they'd like to bring BP 2223 back to APM for review.

APM will bring back AP 4222, BP 5500, AP 5500, AP 5510, and AP 5530. Senate presidents will check in with the deans of student activities to get their perspective on BP 5500 and APs 5500, 5510, and 5530.

It'll be important when we discuss BPs and APs that it's clear which ones need to be brought back to the senates (or other committees) and when.

Approved

Minutes for 10.14.20

The student activities deans (Leticia and Michelle) need to get them on the page.

Academic integrity concerns are coming up at Foothill. Concern that policies and procedures aren't being interpreted the same way/followed. Leticia mentioned she'd reach out to Michelle.

Do we need to bring this to APM soon? Will discuss at APM planning meeting.

Number one on cpl (pg 2), change that wording to credit for prior learning.

Kathryn would like for discussions to happen about CPL at a task force, before we have discussions at senate or ccc. All she's asking for, whatever the idea is we could take to get title 5 compliant (prior to doing that, we get a select group of people to say that this is okay. Looking through this AP, can you all live with what this says. That first check in. if we get resistance, but we clarify

Karen- similar to how we're getting michelle and Leticia info. Similar here. Acknowledging there is a whole lot.

Email curriculum chairs, a/r deans, articulation officers, senate officers.

Next senate meeting 26th at fh, joint one on November 2nd

Is APM the place to have discussions about reopening the campuses. Have this on the next APM to talk about where this should be talked about. Invite judy.
