

Campus Center Floor Replacement Options

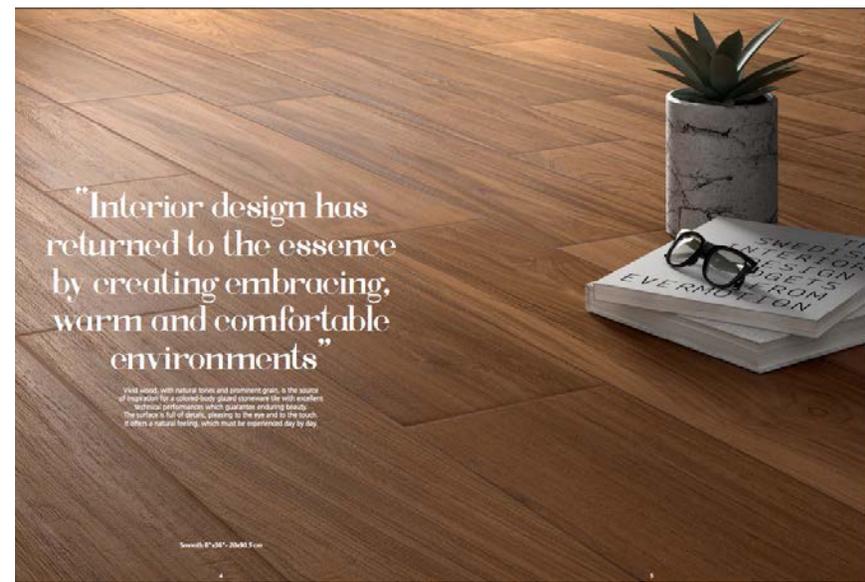

The new material will be 6" wide porcelain tile that is made to look like a hardwood floor.

Images below are photos and manufacture images, exact color may differ.

The tiles will be arranged in a "brick" pattern as shown below.

Option 1 – Lightest, Manufacturer: Panaria Ceramica, Series: Life, Color: Smooth

Layout shown is similar to proposed “brick” pattern.

Option 2 – Medium, Manufacturer: Pan American Ceramics, Series: Mt. Royal, Color: Gunstock

Layout shown is not “brick” pattern. Image for color reference only.

Option 3 - Darkest, Manufacturer: Fiorano USA, Series: Classic Wood, Color: Oak

Layout shown is similar to proposed "brick" pattern.
