Status Since Previous Program Review

- 1) The most significant change was the reduction in course offerings due to budgetary cuts.
- 2) The change was totally unrelated to SLO assessments.
- 3) The changes have greatly affected the program forcing students to go to other institutions to complete the required undergraduate package for transfer to a four-year institution.
- 4) Strategic initiative: To reinstate all course offerings
- 5) Mission Statement: To prepare students to be competitive for admission to the best Engineering Schools (SJSU, UC Berkeley, Stanford, Cal Tech, UCLA).
- 6) No physical or organizational restructuring is needed.
