

Our Histories, Our Experiences, Our Lives: From Learning to Collective Action

Ethnic Studies Multiracial Panel

This Ethnic Studies Multiracial Panel/Dialogue series will bring together faculty representatives from our four core Ethnic Studies areas, along with Classified professionals, students, and administrators from each racial/ethnic/cultural community. These panels invite you to learn from, about, and with each other with the aim of building multiracial alliances and a multiracial coalition on our Campuses to support structural/systemic change, here and beyond.
