All sessions will be recorded for anyone unable to attend. Recordings are not available immediately after the live session finishes, but we will send out recording by the week after the orientation week. An announcement will be sent to you when the recording is available.

Tips and Troubleshooting

- Plan to arrive 5-7 minutes early.
- Keep your phone or headset microphone on mute to prevent an echo in the room.
- Regardless of your audio connection method, do not use external speakers because this often causes feedback and distortion. Use a headset or headphones instead.
- **Using Mozilla Firefox as your web browser is preferable.**
