*Starting in 2014-15, data is not reported for schools with fewer than five applicants and fewer than three admits or enrollees (denoted as "NA"). Therefore, summing the student count by campus will not total the universitywide count (aggregate count). For this reason, the figures reflected in the "total" row are the actual universitywide count of enrollees.

Transfers to UC GPA

Transfer GPA ranged between 3.81 to 2.86
