Prerequisite: Mathematics 210 or equivalent with a grade of C or better. or a qualifying score in Placement Test within the past calendar year.

Advisory: English Writing 211 and Reading 211 (or Language Arts 211), or English as a Second Language 272 and 273.

Student Learning outcomes(what you should be able to demonstrate by the end of the course):
Evaluate real-world situations and distinguish between and apply linear and quadratic function models appropriately.

Analyze, interpret, and communicate results of linear and quadratic models in a logical manner from four points of view -visual, formula, numerical, and written.

Demonstrate an appreciation and awareness of applications in their daily lives.

## Text and Related Materials:

Blitzer Intermidiate Algebra $7^{\text {th }}$ Edition,ISBN-13:9780 1341 78943. Buy the bundle (book with MyMathLab code). MyMathLab code is required to complete the homework.

Scientific or Graphing Calculator (TI83 or TI84). Bring your text and calculator to class everyday. We will use them both on a daily basis.

Attendance: Mathematics is a very demanding subject. As a result, regular attendance is extremely important. If you miss the class for any reason, it is your responsibility to obtain the notes and/ or handouts from your fellow classmates.

Homework: Homework will be assigned on MY MATH Lab.
Course name is Math212- Spring2017 and course ID: jain49944
Complete all homework assignments on time and ask questions.
Quizzes: Quizzes are indicated on the calendar. Credit will not be given for answers only, so show all your work. Missed quizzes cannot be made up for any reason.
One lowest quiz score will be dropped.
Activities and Labs: In class activities and worksheets will be assigned and graded.

Mid Term Exams: Three exams will be given. No make-up exams will be given for any reason. . If you know you will be absent for an exam, you may arrange to take it early, during office hours.

Final Exam: A 2-hour long final exam will be on Wednesday June 28 at 11:30am to 1:30. Students who miss the final exam without contacting the instructor by the day of the exam will receive a grade of $F$.

## Grades will be assigned as follows:

3 Mid Term exams 45\%
1 final exam 20\%
Homeworks 10\%
quizzes 20\%
Activities \& CW 5\%
Grading
A+ Score $>96.5 \quad$ A score $>93.5 \quad$ A- Score $>89.5$
B+ Score $>86.5 \quad$ B score $>83.5 \quad$ B- score.$>79.5$
C+ score $>76.5 \quad$ C score $>73.5 \quad$ C- score $>69.5$
D score $>59.5 \quad$ F score $<59.5$
:
How to get help: For any course related problem or to talk about your grades please come to my office during office hours. That is what I am there for, Tutors are also available in S43. Students are strongly encouraged to make use of the tutorial help to succeed in this class. Students who fall below $75 \%$ will be required to attend tutoring.

## Other:

- Anyone caught cheating on a test or quiz will receive an automatic 0 and be reported to the Dean.
- During the class turn your cellphones/pager or any other electronic device OFF.
- Disruptive behavior during class will result in disciplinary action which might include being asked to leave the classroom / being referred to the Dean.

Important Dates: For Important dates go to http://deanza.edu/calendar/springdates.html
