Course: Math 31MP - CRN: 26005 MATH31-MP

Course Details: Time: 1:30 to 3:45 p.m., Days: M, T, W, TH -- Synchronous Lectures - Term: Fall 2020
College: De Anza College, PSME Division, Mathematics Department
Instructor: Dr. Mo Rezvani
Contact: use Canvas for all communications
Office: Online
Office Hours: M, T, W from 12:00 to 1:15 p.m.
Text: PRECALC with Limits, $4^{\text {th }}$ Edition, Ron Larson, Cengage Learning

Homework: Will be assigned, and you are responsible to do the homework. Homework will be randomly collected. Homework will not be graded. This is a new edition of the book. I will be assigning homework one week ahead if time.

Tests: Plan on giving 3 tests. The lowest graded test will be dropped. The tests will be $40 \%$ of your grade ( $20 \%$ each). Absolutely no make ups will be given. Test dates may/will change. It will be announced in class. It is your responsibility to note the date changes and be present.

Attendance: I will take attendance. If you are late 10 minutes or more to the class or you leave 10 minutes or more earlier than class is dismissed, you will be considered absent.

Midterm: Plan on giving one midterm. It is worth $25 \%$ of your grade. Absolutely no make ups will be given. Midterm date may/will change. It will be announced in class. It is your responsibility to note the date changes and be present.

Final: One final will be given. Absolutely no make ups will be given. If you have a conflict for final exam date with another class, you must inform me within the first 4 weeks of classes. No exceptions. Final will be $35 \%$ of your grade.

Make ups: Absolutely no make ups will be given.
Scaling/Curving: The scores you make in tests and final mathematically decides your grade. No scaling/curving will be done.
Cheating: Will NOT be tolerated. It will result in an " $F$ " for that test/midterm/final and may lead to an " $F$ " for the course.
Grades: A: $90 \%$ to $100 \% ; B+: 87 \%$ to $89.99 \% ; B: 83 \%$ to $86.99 \% ; B-: 80 \%$ to $82.99 \% ; C+: 77 \%$ to $79.99 \% ; C: 77 \%$ to $70 \% ; D: 60 \%$ to 70\%, F: 0\% to 59.99\%.

Final Exam: It is student's responsibility to check and verify date and time. The date and time may change as the quarter progresses.

Drop Policy: It is the responsibility of the student to drop the class after he/she attends the first session.

|  | Tests and Midterm dates may/will change. Changes will be <br> announced in class. <br> It is your (student) responsibility to attend the classes and be up <br> to date and current on tests and midterm dates. <br> It is the student's responsibility to check and confirm the final <br> exam date and time. |

| 11 | 30-Nov-20 | 10.2 | 10.3 | 10.4 | 10.5 |  |  |  |
| 12 | 7-Dec-20 | Final Exam Week - No Lectures/Classes |  |  |  |  |  |  |

```
It is the responsibility of the student to confirm the dates below
September 21st - Fall qtr. begins
October 3rd - Last day to add classes
October 4th - Last day to drop without a W
October 16th - Last day to request "Pass/No Pass"
November 11th - Veterans Day - School closed
November 13th - Last day to drop with a W
November 26-29th - Thanksgiving holiday - School closed
December 7-11th - Final exams, no lectures
```

## Student Learning Outcome(s):

* Investigate, evaluate, and differentiate between algebraic and transcendental functions in their graphic, formulaic, and tabular representations.
* Synthesize, model, and communicate real-life applications and phenomena using algebraic and transcendental functions.
