**Student Learning Outcomes:**

1. Student Learning Outcome: Design a graphical user interface in Visual Basic .NET implementing basic controls including text boxes, labels, list boxes, buttons, radio buttons, and checkboxes.
2. Student Learning Outcome: Design the algorithm, write, document, debug and test the code for event procedures and sub procedures of a Visual Basic application incorporating elementary coding constructs.
3. Student Learning Outcome: Read, analyze and explain introductory level Visual Basic code.

EVALUATION: Total points accumulated will determine final grade. The method of evaluation is percentages. The following is how the points are allocated:

3 Project Assignments (30 pts each)----->	90	Note 1
18 Homework Activities (5 pts each)----->	90	Note 2
8 Quizzes (20 pts each) ----->	160	Note 3
1 Final Exam----->	50	Note 4
5 ConferZoom 1 weekly question (10 pts) -->	50	Note 5
Total Points ----->	440	Note 6

A = 396-440+ B = 352-395 C = 308-351 D = 264-307 F = 0-263

**NOTES:**

- (1) Each project must be zipped up in one file and uploaded to be graded. All projects must be turned in on time. Late submissions accepted with a 6 point deduction! Project 4B is optional and is worth up to 30 extra credit points. **Last date any work accepted is Tuesday, 8/8/2023.**
- (2) Each homework must be submitted in one word document and uploaded to be graded. All homework must be submitted by the date scheduled. Late submissions accepted with a 1 point deduction for late Homework.
- (3) Quizzes must be done in the week scheduled. There are no make-ups.
- (4) Final exam must be taken online during the following day/times:  
**Thursday, 8/10/2023 all day with a 2 hour time limit.**
- (5) Each week there will be a question for you to answer on Canvas. I will provide the answer during either Tuesday or Thursday Zoom on-line session. You either attend the session or review the recordings to gain the answer. The question must be answered by Sunday of that week. No make-ups!!!
- (6) I may drop or alter activities or change the schedule. I will only do so in one of our on-line sessions so the class can acknowledge the change. There will be an anonymous survey at the end of the class worth 5 extra credits.

ATTENDANCE: Your attendance is expected at ALL sessions, but not mandatory. If you do miss a session, you are responsible for reviewing the material on the recordings posted on Canvas. By Tuesday of the second week, if you don't log into Canvas, I will **drop** you! After that, **I will NOT drop you**. You must drop yourself or receive a grade.

CHEATING: Anyone found cheating will automatically be dropped. Turning in exact same answers to any work might be considered cheating. It's up to my judgment. It is OK to consult with each other on any of the home-works or projects. However, I expect you to do and submit your own work. No copying projects from Internet.

**Disability Accommodations**

De Anza College views disability as an important aspect of diversity, and is committed to providing equitable access to learning opportunities for all students.

Disability Support Services (DSS) is the campus office that collaborates with students who have disabilities to provide and/or arrange reasonable accommodations. If you have, or think you have, a disability in any area such as, mental health, attention, learning, chronic health, sensory, or physical, please contact DSS to arrange a confidential discussion regarding equitable access and reasonable accommodations.

If you are registered with DSS and have accommodations set by a DSS counselor, please be sure that your instructor has received your accommodation letter from Clockwork early in the quarter to review how the accommodations will be applied in the course. Students who need accommodated test proctoring must meet appointment booking deadlines at the Testing Center. a) Midterm exam be booked at least five (5) business days in advance of the instructor approved exam date/time. b) Final exams must be scheduled seven (7) business days/weekdays in advance of the instructor approved exam date/time. Failure to meet appointment booking deadlines will result in the forfeit of testing accommodations and you will be required to take your exam with the class.
