

Step 1: Complete the TAG Eligibility Self-Assessment Questionnaire below:

ANSWER "YES," "NO," OR "N/A" FOR EACH QUESTION BELOW: (N/A = "not applicable")

- 1. Are you enrolled or planning to enroll at a baccalaureate institution (4-year college/university) prior to transfer to UCSC?
- 2. If you previously attended a baccalaureate institution, will you have 135 transferable quarter units or more of combined university and community college coursework (after applying UC lower-division unit limitations and exclusions*)?
- 3. Are you currently on academic probation or are you not in "good standing" at De Anza?
- 4. Are you a former UC student** who left the UC while not in "good standing" (less than a 2.0 GPA at UC)?
- 5. Are you a former UCSC student (not including summer session)?
- 6. Do you possess a BA or BS degree?
- 7. Are you currently working towards high school graduation?

If you answered "yes" to any question #1-7 above, you are not eligible for a UCSC TAG. Apply through the regular admission process.

- 8. Will you be enrolled at De Anza this Fall 2017?
- 9. Do you currently have a minimum UC transferable GPA of 3.0? (*2.999 does not qualify*)
- 10. Will you complete, or have you completed, a UC-transferable English composition course (UC-E) and one transferable math course (UC-M) required for admission, with a grade of "C" or better by the end of fall 2017?
- 11. Have you completed a minimum of **45** UC transferable quarter units by the end of summer 2017?
- 12. Will you complete a minimum of **90** UC transferable quarter units by the end of spring 2018?
- 13. Will you complete a minimum of 45 UC transferable quarter units from a California community college by the end of spring 2018?
- 14. Will you complete all courses required for minimum UC eligibility by the end of spring 2018? (See back for requirements)
- 15. Will you complete all courses required for a selective major by the end of spring 2018? (See back for selective majors)
- 16. Do you have transcripts from EACH college or university attended to reference while completing your TAG application?
- 17. Do you have your AP/IB exam scores to reference while completing your TAG application?
- 18. If you completed any of your 9th – 12th grade education or beyond in a country where English is not the native language, do you have a score of 80 or higher on the TOEFL iBT (550 on the paper version); or an overall band score of 6.5 or higher on the IELTS; or will you complete two UC transferable English composition courses with "B" grades or higher?

If you answered "yes" or "NA" to questions # 8 -18 above, you may be eligible for a TAG. Continue to STEP 2.

Note: Meeting minimum UCSC TAG criteria does not necessarily ensure UCSC approval; UCSC will be reviewing each student's case. Students who have not demonstrated adequate preparation in the areas of English and math may not be approved for the guaranteed admission. The information on this handout is based on UCSC's TAG criteria posted at <http://admissions.ucsc.edu/apply/transfer-students/tag.html> at time of printing. Please check the website for possible updates before submitting your TAG.

* You will be granted up to 70 sem/105 qtr units of credit for lower division coursework completed at any institution or any combination of institutions. For units beyond the maximum, subject credit for appropriate coursework taken in excess of this unit limitation will be granted and may be used to satisfy requirements. If upper division coursework was completed, please check with a counselor or adviser to determine if you are at risk of being denied admission due to excessive units.

- Units earned through: AP, IB, and/or A-Level examinations are not included in the limitation and do not put applicants at risk of being denied admission.

- Units earned at any UC campus (Extension, summer, cross/concurrent and regular academic year enrollment) are not included in the limitation but are added to the maximum transfer credit allowed and may put applicants at risk of being denied admission due to excessive units.

** Former UC students should check with a counselor to determine if unit limitations may impact transferring back to UC.

Step 2: If you believe you are eligible for the TAG based on your answers to the questions above, carefully read this document for TAG procedures and requirements. Compile all of your transcripts and (if applicable) Advanced Placement (AP) or International Baccalaureate (IB) exam scores. Log-in to the UC Transfer Admission Planner and start working on your UC Santa Cruz TAG application.

<https://uctap.universityofcalifornia.edu>

Step 3: Submit the UC Santa Cruz TAG Application online (within the UC Transfer Admission Planner system) between **September 1-30, 2017** **Important Notice:** TAG reviews are based on your self-reported information only. It is your responsibility to make sure the information you report is accurate and complete.

Step 4: Check the UC TAG Application System ('My Messages' tab) and your email for messages. Respond to all requests promptly and follow all directions. Your TAG may be at risk if you fail to respond to requests.

Step 5: Submit your UC Application for Undergraduate Admission November 1-30, 2017.
