## Check out department activities campuswide!

### **Accounting: Forum 1**

Interested in accounting? Learn about our program by stopping in for an informal orientation talk.

### **Anthropology: MLC 102**

Stop by to learn about great apes and early human ancestors. View an exhibit on the Ohlone people. Chat with instructors and learn about anthropology and its applications today.

### **Art: A-94 and AT 101**

Visit an art classroom (A-94) for an opportunity to draw with a live model and help from an instructor. Stop by our Graphic Design lab (AT 101) to view samples of student work.

### **Automotive Technology: E-1**

Check out our state-of-the-art training center, including workstations with power lifts, machine shop, engine lab, classrooms, tools and equipment. Meet our instructors and learn about our programs.

### **Biology: S-52**

Meet our instructors and learn about the science of life! See live specimens and preserved organisms on display.

### **Business: Forum 1**

Learn about classes, certificates and degrees in business administration, business information, entrepreneurship, management and marketing management – by stopping in for an informal orientation conversation.

### **Child Development and Education: CDC**

Visit our Child Development Center and get answers to your questions about the program! We'll be in the lobby of CDC Building 1.

### **Communication Studies: L-82**

Scared of public speaking? Looking for a practical GE course? Come to our Hawaiian luau to meet our instructors and get free communication tips. Plus: Free spam musubi, coconut water, island music and aloha vibes.

### **Computer Information Systems: ATC 203**

Did you know that De Anza offers certificates and degrees in 16 different programs within the field of computer science? Meet our instructors and learn about our courses.

### **Dance: A Quad**

See performances by student dancers in front of the Art Quad mural.

### **Design & Manufacturing Technology: E-2 and E-35**

Visit the DMT Open House to see our cutting-edge workshops and equipment. Learn about our programs in Computer Aided Design, Machining and CNC Technology, 3D Printing and Additive Manufacturing.

### **Economics: ADM 103, 10:30 a.m.-12:30 p.m.**

Bring your questions and chat informally with Economics instructors.

### **English: ADM 101**

Stop by to hear short talks and presentations by our instructors. Test your imagination with writing activities. Play Kahoot! and enter a raffle.

### **Environmental Sciences: Kirsch Center**

Learn about biodiversity, energy and facility management, climate change, sustainability and pollution prevention. Tour the Environmental Study Area, our 1.5-acre natural garden and outdoor classroom. Cool prizes, too!

### **Film/Television: AT 120**

Are you interested in film or television production? Watch a showcase of student films and videos from our award-winning FTV program.

### **Financial Aid: ATC 202**

Got questions about the De Anza College Promise, Pell Grants and Cal Grants? We've got answers! Join us for our question and answer session.

### **History: L-26**

How do the events and revolutions of the past relate to the social, political and technological changes of the present – and the future? Meet instructors and learn how studying history can help you in careers from law and education to business and filmmaking.

### **Journalism: L-41**

What's it like to be a news reporter? Visit us for a journalist's breakfast of coffee, doughnuts and bagels. Play games and get a hands-on introduction to reporting.

### **Learning Communities Block Party: Campus Center Patio**

Success, support and friends! Connect with a network of classmates, instructors and counselors – based on a common interest or subject area. Enjoy games and snacks.

### **Library**

Learn about our books, periodicals and other resources.

### **Music: Outside A-9 (south end, facing Baldwin Winery)**

Enjoy a performance by De Anza music alums – Pope Joan's Flying Yogis!

### **Nursing: S-8**

Meet nursing students and instructors. See simulations of patient care, including IV insertions and heart/lung exams. Play games and practice how well you wash your hands!

### **Philosophy: L-28**

Meet our instructors and learn about De Anza's new associate degree for transfer in Philosophy.

**Photography: A-6, 11 a.m.-12:30 p.m.**

Tour our photo lab and check out cameras and displays of student work. You'll also have a chance to make your own sun print!

**Political Science: L-24**

Bring your questions and meet instructors. You can also learn about our classes, civic engagement and internship opportunities, and career options for majors.

**Psychology: L-27**

Stop by and meet instructors during our open house. Learn about the new associate degree for transfer in Psychology.

**Student Services**

Admissions and Records, Financial Aid and general counseling offices will be open until 1 p.m. The Office of College Life will be open until 4 p.m.
